ABOUT ABRICAN

**BUILT ON EXPERIENCE.
DRIVEN BY EXCELLENCE.**

Founded in **1999**, Abfrican has grown into a leading provider of specialized oilfield and industrial services across Saudi Arabia.

We deliver safe, reliable and high-quality solutions that help our customers optimize performance and achieve operational excellence.

Through continuous investment in people, equipment and technology, we remain committed to adding value and building long-term partnerships.

DELIVERING MORE THAN SERVICES

We combine people, equipment and technology to deliver safe, reliable and innovative solutions that drive our clients' success.

OUR SERVICES OVERVIEW

Cementing Services

Delivering well integrity with precision.

Nitrogen Services

Ensuring safe inerting, purging and pressure testing.

Chemical Injection

Protecting assets and maintaining flow assurance.

Hydrotesting & Water Filling

Validating strength, Ensuring reliability.

Industrial Support Services

Reliable support that keeps operations running safely.

Safety Focused

People and environment at the core of everything we do.

Proven Expertise

Industry-leading solutions backed by experience and technology.

Quality Driven

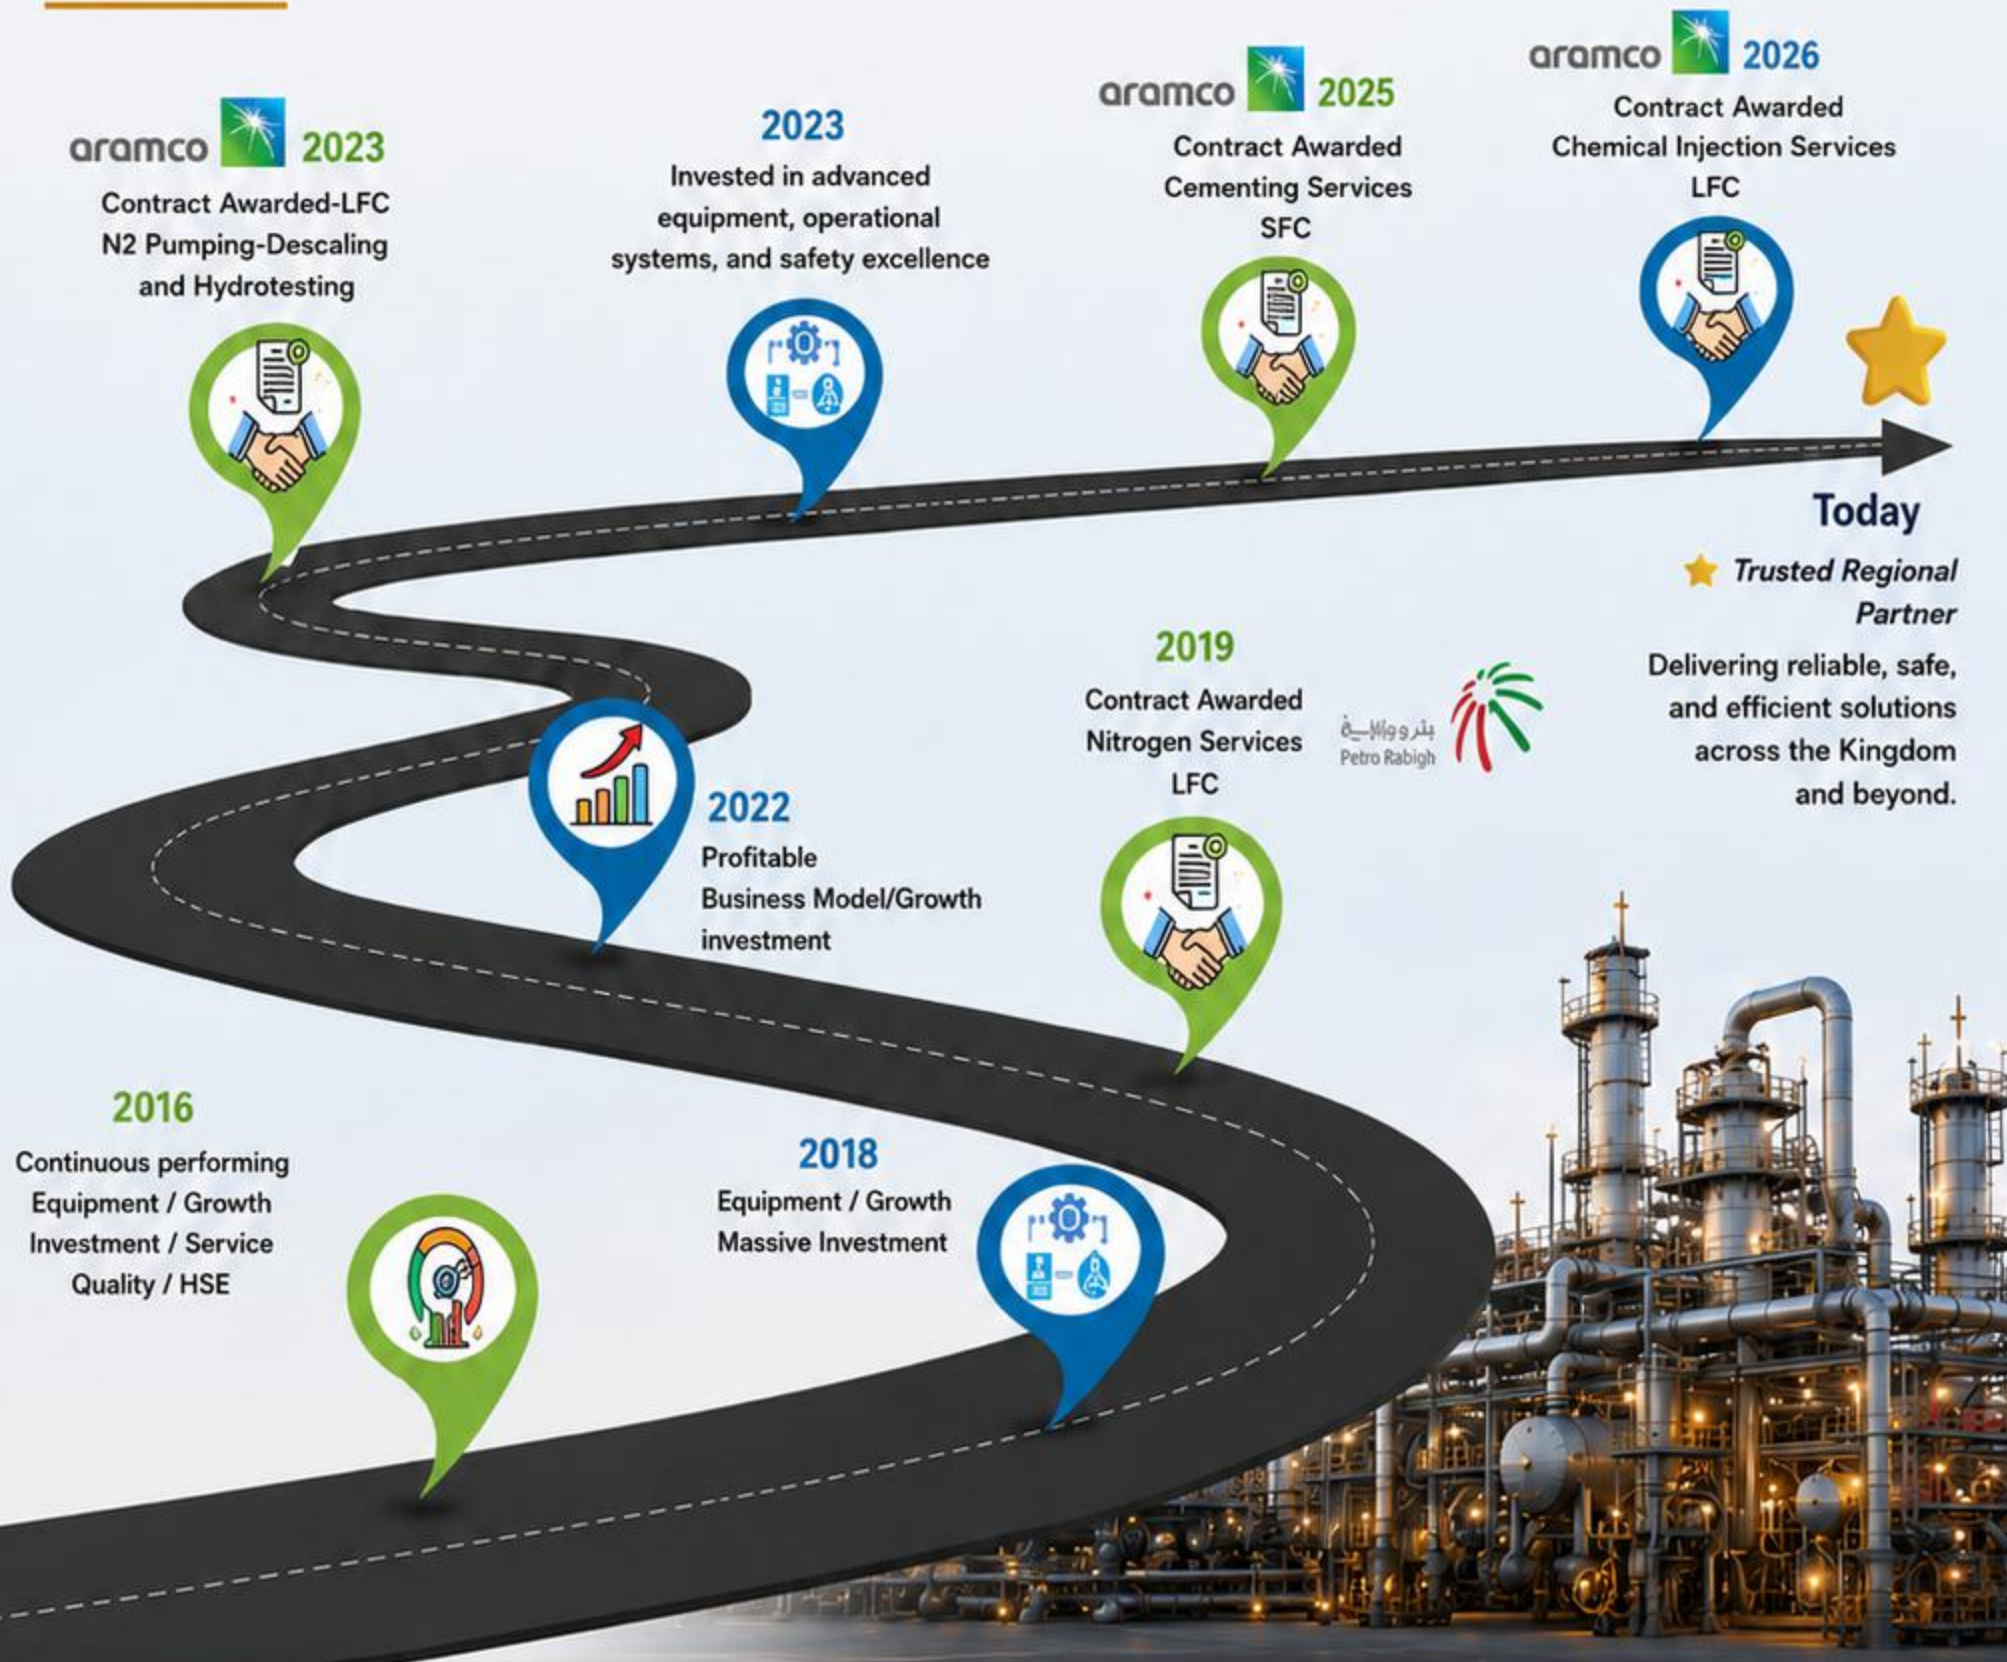

Committed to delivering excellence in every service we provide.

Client Centric

Building lasting partnerships through trust, performance and reliability.

10 YEAR ROADMAP OF COMPANY GROWTH MILESTONES

BUILT ON A FOUNDATION OF EXCELLENCE

Every milestone reflects our commitment to growth, innovation, safety, and delivering value to our clients and partners.

Safety

Integrity

Quality

Reliability

Innovation

CEMENTING SERVICES

Delivering dependable well integrity through expert cement placement, zonal isolation, and remedial cementing solutions. Our advanced equipment and skilled teams ensure long-term well performance and peace of mind.

OUR CAPABILITIES

Primary & Remedial Cementing

Squeeze & Plug Cementing

Stage Cementing

Lightweight Cement Systems

Cement Slurry Design

On-site, On-rigsite Delivery

WHAT WE DELIVER

WELL INTEGRITY

Ensuring zonal isolation and long-term cement bond reliability.

ADVANCED SOLUTIONS

Utilizing state-of-the-art equipment and proven cementing technologies.

EXPERIENCED TEAM

Skilled professionals committed to safety, quality, and operational excellence.

OPERATIONAL EXCELLENCE

Efficient execution tailored to meet our clients' unique well requirements.

SAFE OPERATIONS

Committed to the highest HSE standards.

RELIABLE PERFORMANCE

Consistent results in every cementing operation.

ON-TIME DELIVERY

Efficient planning and seamless execution.

QUALITY ASSURED

Stringent quality control at every stage.

BUILT FOR RESULTS

Delivering solutions that drive long-term success.

NITROGEN SERVICES

ADVANCED SOLUTIONS.
CRITICAL RESULTS.

Providing safe and efficient nitrogen pumping solutions for a wide range of critical applications across the oil & gas industry.

OUR CAPABILITIES

Pipeline Inerting & Purging

Pressure Testing

Pipeline & Wellbore Drying

Displacement Operations

Commissioning Support

High-Pressure N₂ Pumping

KEY BENEFITS

Operational Excellence

Ensuring system integrity, reliability, and optimal performance.

Enhanced Safety

Reducing risks through purging, inerting, and pressure control.

Time Efficiency

Advanced equipment and skilled teams deliver fast and reliable results.

Cost Effective

Minimizing downtime and maximizing equipment longevity.

Industry Standards

All services are performed in accordance with international best practices.

SAFE OPERATIONS

Committed to the highest HSE standards.

ADVANCED EQUIPMENT

State-of-the-art nitrogen pumping technology.

EXPERT TEAM

Skilled professionals with industry expertise.

RELIABLE PERFORMANCE

Consistent results you can count on.

CLIENT FOCUSED

Solutions tailored to meet your specific needs.

CHEMICAL INJECTION

Protecting production systems by controlling corrosion, scale formation, paraffin deposition and other flow assurance challenges.

OUR CAPABILITIES

Corrosion Inhibition

Scale Inhibition

Biocide Treatment

Paraffin Control

Oxygen Scavenger

Chemical Dosing Systems

KEY BENEFITS

ENHANCED ASSET PROTECTION

Minimizes corrosion, scaling, and deposition to extend equipment life.

IMPROVED FLOW ASSURANCE

Ensures consistent production through effective chemical treatment.

OPERATIONAL EFFICIENCY

Reduces unplanned downtime and maintenance costs.

ENVIRONMENTALLY RESPONSIBLE

Safe and compliant chemical solutions that support sustainability.

EXPERT SUPPORT

Backed by experienced engineers and reliable equipment for optimal performance.

SAFE OPERATIONS

Adhering to the highest safety and environmental standards.

RELIABLE EQUIPMENT

Robust, high-performance systems built for harsh conditions.

PRECISE DOSING

Accurate chemical injection for maximum treatment effectiveness.

CONTINUOUS PERFORMANCE

Designed for consistent operation and long-term reliability.

CLIENT FOCUSED

Customized solutions tailored to meet your specific needs.

HYDROTESTING & WATER FILLING

Delivering comprehensive pressure testing and water filling services to verify system integrity before commissioning and operation.

OUR CAPABILITIES

Hydrostatic Testing

Leak Detection

Water Filling

De-watering & Drying

Test Package Preparation

Detailed Reporting

KEY BENEFITS

SYSTEM INTEGRITY ASSURANCE

Ensures pressure containment and reliability before commissioning.

EARLY LEAK IDENTIFICATION

Detects potential leaks early to prevent costly repairs and downtime.

OPERATIONAL READINESS

Verifies system readiness for safe and efficient operation.

TIME & COST SAVINGS

Effective testing and filling reduce rework and project delays.

COMPLIANCE & STANDARDS

All services performed in accordance with international standards and client specifications.

SAFETY FIRST

Strict adherence to HSE standards for personnel, equipment, and environment.

ADVANCED EQUIPMENT

Modern testing and filling equipment for accurate results.

EXPERIENCED TEAM

Skilled professionals with extensive industry experience.

ACCURATE REPORTING

Detailed and reliable reports for complete transparency.

CLIENT FOCUSED

Tailored solutions to meet your specific project requirements.

FLEET & EQUIPMENT

A modern, well-maintained fleet and advanced equipment that ensure reliability, efficiency, and safety across all operations.

OUR FLEET

05+ Cementing Units

03+ Batch Mixer

06+ Cement Heads

10+ Cement Transporter/
Storage Tanks

07+ Nitrogen Pumping Units

25+ Nitrogen Tanks

08+ Chemical Injection Units

15+ Hydrotesting Pumps

30+ Water Tanks/Frac Tanks

125+ Support Vehicles &
Accessories

OUR EQUIPMENT ENSURES

RELIABILITY

Modern, well-maintained fleet ensuring consistent and dependable performance.

EFFICIENCY

Advanced equipment designed to optimize operations and reduce downtime.

SAFETY

Built and operated in compliance with international HSE standards.

VERSATILITY

Wide range of units and accessories to meet diverse project requirements.

EXPERIENCED SUPPORT

Skilled teams and technical backup for safe and successful operations.

QUALITY EQUIPMENT

State-of-the-art technology for superior field performance.

RELIABILITY YOU TRUST

Dependable fleet and equipment that keep your operations moving.

EXPERT SUPPORT

Skilled team and technical back-up for every operation.

COMMITTED TO SAFETY

Strict adherence to HSE standards for protecting people and assets.

FOCUSED ON RESULTS

Delivering consistent value through our assets and people.

HEALTH, SAFETY & ENVIRONMENT

SAFETY IS OUR CULTURE

We are committed to protecting our people, our clients and the environment through proactive risk management and continuous improvement.

OUR COMMITMENTS

Zero Harm Mindset

We aim for zero incidents and zero harm to people and assets.

Risk Based Approach

We identify, assess and manage risks proactively across all operations.

Competent Workforce

We empower our people through training, awareness and leadership.

Continuous Training

We invest in continuous learning and skill development.

Environmental Responsibility

We minimize our environmental impact and promote sustainable practices.

WE WORK SAFELY. WE LIVE IT, EVERY DAY.

Every individual is responsible for safety.
Every task is planned. Every job is done right.

OUR HSE CORE VALUES

SAFETY FIRST

We put the safety of people above all else.

INTEGRITY ALWAYS

We act with honesty, transparency and accountability.

OPERATIONAL EXCELLENCE

We strive for excellence in everything we do.

PEOPLE DEVELOPMENT

We value our people and support their growth.

CONTINUOUS IMPROVEMENT

We learn, adapt and improve every day.

OUR HSE PRACTICES

JOB SAFETY ANALYSIS

Assessing risks before every task.

TOOLBOX TALKS

Daily discussions to reinforce safe work practices.

PPE COMPLIANCE

Ensuring proper use of personal protective equipment.

HEALTH SURVEILLANCE

Monitoring and promoting the health and well-being of our people.

ENVIRONMENTAL CARE

Reducing emissions, waste and resource consumption.

HSE PERFORMANCE MONITORING

Measuring, reviewing and recognizing HSE performance.

QUALITY & CERTIFICATIONS

COMMITMENT TO EXCELLENCE

Our quality management system ensures consistent performance and compliance with international standards.

QUALITY IN ACTION

PLANNING

We plan every task with quality and safety in mind.

EXECUTION

We execute with precision, using advanced equipment and skilled teams.

MONITORING

We monitor performance continuously to ensure compliance.

EVALUATION

We evaluate results to drive improvements and prevent recurrence.

DELIVERY

We deliver reliable, high-quality services that exceed expectations.

IMPACT

We create long-term value for our clients, people and the environment.

OUR CLIENTS

STRONG PARTNERSHIPS. SHARED SUCCESS.

We are proud to work with leading companies across the energy, petrochemical, industrial and infrastructure sectors.

BUILT ON TRUST. DELIVERED WITH EXCELLENCE.

Our clients trust us for our commitment, capability and consistent delivery. Together, we build a safer, stronger and more sustainable future.

OUR COMMITMENT TO CLIENTS

RELIABILITY

Dependable services delivered on time, every time.

QUALITY

Consistent quality that meets international standards.

PARTNERSHIP

Collaborative approach that creates long-term value.

INNOVATION

Continuous improvement and innovative solutions for complex challenges.

SUSTAINABILITY

Committed to protecting the environment and supporting communities.

WHERE WE OPERATE

KINGDOM-WIDE COVERAGE

Strategically positioned to mobilize rapidly across all key industrial regions of Saudi Arabia.

-  **Eastern Province**
Serving the heart of the Kingdom's energy industry.
-  **Central Region**
Supporting major industrial and infrastructure projects.
-  **Western Region**
Delivering reliable services along the Red Sea corridor.
-  **Northern Region**
Supporting industrial growth and energy development.
-  **Southern Region**
Extending our services to key projects across the south.

LOCAL PRESENCE. NATIONAL CAPABILITY.

Our widespread operational footprint ensures fast response times, local support, and consistent service excellence wherever you need us.

OUR ADVANTAGE

RAPID MOBILIZATION

Strategic locations enable quick deployment across the Kingdom.

LOCAL EXPERTISE

Deep understanding of regional requirements and operational conditions.

NATIONAL STRENGTH

Resources, equipment and skilled teams ready anywhere, anytime.

RELIABLE PARTNER

Trusted by leading companies to deliver safely and efficiently.

SUSTAINABLE GROWTH

Committed to supporting the Kingdom's Vision 2030 and beyond.

VISION 2030

BUILDING A SUSTAINABLE FUTURE

Abrican is committed to supporting Saudi Arabia's Vision 2030 through innovation, capability development, and sustainable growth.

OUR VISION 2030 CONTRIBUTION

DEVELOPING NATIONAL TALENT

Investing in Saudi workforce development and creating opportunities for future leaders.

LOCAL CONTENT GROWTH

Maximizing in-Kingdom value through local sourcing, partnerships, and innovation.

INDUSTRIAL INNOVATION

Adopting modern technologies and digital solutions to drive efficiency and sustainability.

OPERATIONAL EXCELLENCE

Delivering world-class services with a focus on safety, reliability, and environmental care.

ENERGY SUSTAINABILITY

Supporting the Kingdom's energy transition and environmental stewardship initiatives.

OUR STRATEGIC PILLARS

STRENGTHEN FLEET CAPACITY

Invest in modern and specialized equipment to meet growing market demands.

ENHANCE SERVICE QUALITY

Consistently improve service standards through innovation and best practices.

ADVANCE DIGITAL SYSTEMS

Smart solutions for operational efficiency and data-driven decision making.

DEVELOP NATIONAL TALENT

Empower Saudi professionals and build a skilled, future-ready workforce.

DEEPEN STRATEGIC PARTNERSHIPS

Long-term collaborations that create value and drive shared success.

DELIVERING CERTAINTY

For our customers, always.

رؤية
VISION
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

**TOGETHER, WE BUILD A SAFER,
STRONGER AND MORE SUSTAINABLE FUTURE.**

Aligned with Saudi Arabia's Vision 2030, we remain committed to growth, excellence, and delivering lasting value to our customers, people, and the Kingdom.

FUTURE GOALS

ADVANCING TOWARD EXCELLENCE

Our future is driven by a clear roadmap and ambitious goals that strengthen our leadership and create long-term value for our stakeholders.

STRENGTHEN FLEET CAPACITY

Invest in modern and specialized equipment to expand our capabilities and meet evolving industry demands.

ENHANCE SERVICE QUALITY

Continuously improve our processes, systems, and people to deliver world-class service excellence.

ADVANCE DIGITAL SYSTEMS

Leverage automation, data analytics, and smart technologies to drive operational efficiency and innovation.

DEVELOP NATIONAL TALENT

Empower and grow Saudi talent through training, development, and career advancement opportunities.

DEEPEN STRATEGIC PARTNERSHIPS

Build long-term collaborations with leading companies to create mutual value and expand our impact.

DELIVERING CERTAINTY

Ensure safety, reliability, and sustainability in everything we do — for our customers, people, and the Kingdom.

OUR COMMITMENT TO THE FUTURE

We are committed to sustainable growth, operational excellence, and creating lasting value for our clients, our people, and the Kingdom of Saudi Arabia.

KEY ENABLERS

OUR PEOPLE

Skilled, motivated and committed to excellence.

OUR SYSTEMS

Robust processes and technologies driving efficiency.

OUR CULTURE

A culture of safety, integrity and accountability.

OUR PARTNERS

Trusted partnerships that fuel innovation and growth.

OUR PERFORMANCE

Data-driven decisions and continuous improvement.

OUR PURPOSE

Delivering certainty. Powering progress. Building the future.

DELIVERING CERTAINTY. POWERING PROGRESS.

Together, we build a safer, stronger
and more sustainable future.
